COTTON GROWERS' BIG "RAISE."

The Ten Millions Loan Will Be Used
to Finance Crop Pledged.

Columbia, July 17.—The South Carolina Cotton Growers' Co-operative Association has made arrangements with the War Finance Corporation for an advance of ten million dollars. This money will be used in making advances to the members of the association. Each member will receive 65 per cent of the current market value of his cotton at the time he delivers his cotton to the association.

With the financing problem solved, all officers elected and many of the technical heads chosen, and the headquarters practically in shape for occupancy, only the warehouse problem remains to be solved, and the association will be ready to function. No trouble is anticipated in securing ample warehouse space. Owners of warehouses all over South Carolina have tendered their space to the association for its use if needed.

Now that the association is about ready to function there are many of the farmers over the State who have decided to join. There was a steady inflow of contracts last week, and the number is expected to increase each week from now until Sept. 1, when it will be necessary to close the membership books.

During the week past there has been a steady stream of visitors from every section of the State to association headquarters, and without exception they have told of the strong loyalty on the part of the members in their respective sections to the association, and of the growing enthusiasm for co-operative marketing.

PREPARING FOR BIG REVIVAL.

Another Meeting to be Held at Seneca Monday, July 24th.

Another meeting is to be held at Seneca in the interest of the Gypsy Smith revival to be held in the near future. At the meeting held last Monday the following letter was prepared and copies thereof have been sent to every church in Oconee:

Seneca, S. C., July 17, 1922.

Dear Brother:
We had a most enthusiastic meeting of the Gypsy Smith committees, with representatives of Oconee county churches, this afternoon. A definite plan of county-wide organization was presented, and after thorough discussion of each item it was finally agreed to call another meeting here on Monday, July 24th, at the Chamber of Commerce hall, at 4.30 for the purpose of adopting this plan of organization. Several letters were read from Gypsy Smith.

Now, we are exceedingly anxious for you to be present next Monday, and it was the desire of the meeting this afternoon that each church be represented by its pastor and one man and one lady. Of course, where this is impracticable, any three representatives will be heartily welcome. Refreshments will be served by the local committee of ladies at about 6 o'clock.

Prospects are exceedingly bright for the greatest revival meeting in the history of this part of the State, and we want you to have a voice in everything that we do.

Faithfully yours,
Dr. E. A. Hines, Chairman,
W. P. Leister,
Frank Hopkins,
Gypsy Smith Evangelistic Committee
for Oconee County.

MANY DISORDERS REPORTED.

Requests for Troops Have Been Made to Preserve Order.

Raleigh, N. C., July 16.—Request for troops was made to Governor Morrison to-night by the mayor of Rocky Mount and the sheriffs of Edgecombe and Nash counties to guard the shops of the Atlantic Coast Line railway there. Governor Morrison directed them to send a written request and said he would act on it to-morrow. He has directed the adjutant general, who is now at the encampment at Camp Glenn, to proceed by automobile to Raleigh for a conference.

Bloodhounds on Trail.

Dallas, Texas, July 16.—Bloodhounds have been placed on the trail of men who attempted to wreck the Texas and Pacific passenger train No. 21 from New Orleans, west-bound, for El Paso this morning.

The Union Men in Session.

Waco, Texas, July 16.—A call for a mass meeting of members of all the sixteen standard railroad unions in Texas to be held here Tuesday to consider the strike situation was issued to-day, following a meeting here of 500 representatives of the unions.

Position of Roads Stated.

Omaha, Neb., July 16.—President Carl R. Gray, of the Union Pacific system, in a letter to E. E. Calvin, vice president of the system, setting forth the position of the Union Pacific regarding striking shopmen, to-day said that the only way a former employee could enter the service would be as a new employee, and that the Union Pacific pledged itself to make no settlement of the strike which would deprive new employees, or those who remained loyal, of their rights and jobs.

Bridge is Dynamited.

Fairmont, W. Va., July 16.—An attempt to dynamite the Baltimore and Ohio railroad bridge at Pickett's Creek, on the Connollyville division, near here, early to-day, resulted in slight damage to the tracks approaching the structure. The damage was hurriedly repaired without delay in train service. Bloodhounds to-night were attempting to pick up a scent.

Texas Rangers on Duty.

Dallas, Texas, July 16.—Governor Neff has ordered Capt. Tom Hickman, of the Texas Rangers, together with one of his men, back to Denison to keep in close touch with the strike situation there and to keep him advised of developments, according to a statement by the Governor in Dallas to-day.

THE AMERICAN LEGION.

Boys, let's remember the day, just a few years ago, when our country called on you and me to answer that noble summons to arms to fight for the liberty of the country and the flag so dear, that we may be free, and how bravely your comrades fought and bled—and some died—for their country. Let's remember the days gone by and join again in a noble cause—to be like brothers, and united stand and live the life of true Americans.

Our responsibilities are now far greater than during the days of the war. The country looks to you and me to set the example to the rest of the world in time to come. So, boys, join the Walhalla Legion and let us draw closer to one another, as the time will soon come when the memories will be dear to us all.

LOCAL NEWS NOTES OF SENECA.

Health Clinic Was Attended by a Large Number—Personals.

Seneca, July 17.—Special: Miss Susie Jorvey, of Charleston, is the attractive guest this week of the Misses Hines.

Mrs. Julian Dendy and little son, Julian, Jr., returned home Saturday from a ten days' visit in Chattanooga, Tenn.

Mrs. Robt. Kay and Robert, Jr., are visiting in Greenwood this week. Miss Nancy Hines was hostess to the bridge club at the last meeting.

The many Seneca friends of Mrs. J. T. Holleman, of Anderson, are pleased to know that she has returned home, after being a hospital patient in Baltimore several weeks. Mrs. Holleman's condition is considerably improved, and it is sincerely hoped that she will soon be restored to her former health.

Mrs. S. P. Stribling, of Fair Play, is spending a while with her son and daughter-in-law, Dr. and Mrs. T. L. Stribling. She has not been well for some time, and it is hoped that she will be benefited during her stay in Seneca.

Mrs. J. E. Maroney and three children, of Fountain Inn, were guests of friends here several days the past week.

An approaching marriage around which much interest centers is that of Miss Annie Moore, of Birmingham, to George Warren Gignilliat, Jr., the marriage to take place in Birmingham, Ala., on the 25th. Mr. Gignilliat is the youngest son of Mr. and Mrs. G. W. Gignilliat and is one of Seneca's own boys. He has a host of friends here who will be pleased to know that a part of their honeymoon will be spent in Seneca.

An urgent call is made to the public in behalf of the Near East Relief for clothing, quilts and blankets. Winter will soon be on the suffering Armenians, and the need of warm clothing is alarming. Miss Addie Tatham, chairman for Oconee, has given freely of her time and means to this cause, and she begs the co-operation of the people in their continued support in giving relief to these suffering people. Only such clothes as will be of service are desired. Wrap the bundles or leave them at C. F. Ayers' store, where you will be given a tag on which to write your name and attach to package. These packages are to be assembled not later than noon Friday, the 21st. From there they will be delivered to Miss Addie Tatham at Walhalla.

Dr. Ernest Cooper and his assistants had a busy day at the clinic which was held Friday. There was a large number of people, adults and children, who were given an examination by Dr. Cooper. He was ably assisted in the work by Miss Gudger, State welfare nurse, and Miss Addie Tatham, a volunteer nurse, of Walhalla, whose services were appreciated by not only Dr. Cooper and Miss Gudger, but by all Seneca and community around.

CLUB ROLL AT MOSS & ANSEL'S.

The Walhalla Democratic club roll can be found at the store of Moss & Ansel, Main street, Walhalla. This arrangement has been made in order that no person, man or woman, can have the excuse of inability to find some one in charge of the roll or that it was too inconveniently located. The women especially are urged to go to the store of Moss & Ansel and place their names on the club roll. Do so at once. The time is now short, and it is important.

Remember that after July 25th it will be too late to get your name on the club roll, and your name not there, you cannot vote. Putting your name on the club roll is as important as registering. You can't vote without a registration certificate even if your name is on the roll; you can't vote unless your name is on the club roll, even though you may be in possession of a registration certificate.

WEST UNION CLUB ROLL.

The West Union club roll is now at the store of J. H. Alley, where it is easily accessible. No one should neglect or forget to get his or her name on the roll. If you vote at West Union, go at once to the store of J. H. Alley and enroll your name. Do it yourself. It cannot be done by a proxy.

Mr. Cook Will Not Run.

Madison, S. C., July 17, 1922.
Editor Keowee Courier:

I have received many letters from different parts of the county urging me to run for the Legislature this time. I wish to say to my friends that I appreciate very much their confidence in me and their kind expressions and offers of support. But I do not think my health will admit of my making the race. It would certainly be a pleasure to me to go down to Oskosh and have a little fun with the boys if I were younger and stronger. But I am too old now—will soon be 75 years of age.

Yours truly,
J. A. Cook.

BIG SUIT HAS BEEN INSTITUTED.

New York Bond Concern Seeks to Recover from Magid Concern.

(Athens, Ga., Dispatch to Atlanta Constitution.)

One of the largest civil suits ever filed in the Eastern division of the Northern district of the Federal court was recently instituted in Athens with Deputy Waller Cornett, the Central Union Trust Company of New York city brought suit against the Appalachian Corporation for the sum of \$1,368,488.

The Appalachian concern is headed by Louis B. Magid, with most of its holdings in this State located in Rabun and Habersham counties, around Cornelia and Tallulah Falls. It owns what is considered the largest apple orchard in the world, between Cornelia and Tallulah.

In 1917 the company was authorized to issue bonds to the extent of ten million dollars, and an amount totaling \$1,233,400 was issued and bought by the banking concern now bringing suit. Interest to the sum of \$134,088 has accumulated and remains unpaid, it is alleged, and it is to recover this principal and interest that the suit has been brought.

Back of the bonds is the real estate of the concern and other tangible property, said to include warehouse holdings in New Orleans and many thousands of acres of land in Macon county, Missouri.

Mr. Magid is well known in Athens. He is said to have made considerable money out of the transaction which resulted in the Georgia Railway and Power Company acquiring the power concessions at Tallulah Falls.

Judge Samuel Sibley has named E. B. Magid and Eugene R. Black, of Atlanta, as receivers, with authority to conduct the business while the litigation is cleared. The attorneys for the instigator of the suit are Larkin, Rathbone & Perry, of New York, and Alston, Foster & Moise, of Atlanta. The Appalachian Corporation is represented by Edgar Watkins, of Atlanta.

Was Well Known in Oconee.

(Anderson Mail, 15th.)

Following a steady decline in his health for some time, Samuel Maxwell Pickens, aged 64 years, died at 12.40 o'clock this morning at the University Sanatorium. Mr. Pickens was well known in Anderson, having lived here for the greater part of his life, and at one time engaged in the brokerage business in this city.

Mr. Pickens is survived by his wife and the following children: Miss Jessie C. Pickens, Charlotte; Misses Nellie Sue and Julia Eliza Pickens, Anderson; Joel C. Pickens, Nitro, W. Va.; S. M. Pickens, Jr., Clayton, W. Va., and Philip A. Pickens, of this city.

Assistant Cashier, Short, Suicides.

Statesville, N. C., July 13.—C. E. Pennington, assistant cashier of the First National Bank of Statesville, late to-night fired a bullet through his head in his home here and died 45 minutes later. The tragedy followed announcement of a shortage of approximately \$85,000 in the accounts of Cashier John W. Guy, Sr.
